

Summer Paid Internship opportunities 2023 Training and Work Experience Programme 2023

What We Are offering :

- a short term targeted training and employment opportunity to those with a hidden health condition or disability who are underrepresented in the workforce.
- support for people who wish to build confidence, or people seeking to build skills with a view to finding future opportunities or employment.
- Each placement will be for up to 8 weeks offering 8 to 12 hours paid work and training. Hourly rate £10.50 per hour
- An opportunity to gain your level 2 or level 3 food hygiene certificate, learn how to make delicious fruit lollies and other aspects of the business according to interests

We are looking for people who have:

- commitment and enthusiasm for learning new skills
- interest in food production, health and safety roles, sales, product development, sustainable produce or hospitality
- an honest and flexible approach to learning with us

Note: there is a level of physical work required in the production kitchen.. This will be discussed with you and any reasonable adjustment you might need if offered the post

How to Apply:

Please send your name and contact details with a short response to the following questions;

1. What interests you about the opportunity?
2. What do you think you would bring to the programme?
3. What are you hoping to gain from the programme?

Please apply with a 1 page written or typed document, or maximum 5 minute audio or video file, or equivalent. We will respond to all expressions of interest. We are accepting applications until the end of May 2023. Please return your application i to **Catherine Watson Trainee manager at training@novoiceice.com** referencing 'Internship'.

You are also welcome to contact Catherine with any questions about the role or application. Please let us know if you require this information in another format that is accessible to you.
